

FRIENDSHIP

As part of the children's PSHE/Pink Curriculum education, Hartpury C of E Primary School had a visit from the Life Education Bus yesterday. Covering a variety of different topics such as 'Friends', 'My Wonderful Body', 'All About Me', and 'Meet the Brain', all the children got to experience a hugely interactive and educational experience.

SUMMER SAFETY/UNIFORM

Please remember that children will need 'Once a day' sun cream applied before coming to school, a sunhat and drinks bottle will also be necessary during the summer months/hot weather. Also although some of the children are now wearing summer uniform, please be aware they may still need sweatshirts/cardigans and a lightweight coat if the weather changes.

SCHOOL MEALS

We have been informed that the cost of school meals will increase to £2.36 per meal from Monday 23rd April, 2018. (Juniors Only)

SICKNESS IN SCHOOL

Please ensure that children should only return to school following a sickness/diarrhoea bout no less than 48 hours from the last episode.

FOHS news

We started 2018 with a bang and last term alone we raised in excess £1200! We cannot thank everyone enough for their ongoing generosity and support.

We hope you'll all agree that the Easter Games night was lots of fun, a great selection of games and biggest highlight was seeing all the children's grins as Miss Rimmer smothered Mr Millington's face with squirry cream!

The tasty hotdogs and delicious hot chocolates were an added delight and we'd like to thank Maria and Neil for once again donating and serving on the night.

Thank you to everyone who supported the evening and helped once again, you really are a great bunch!

So now to our next event...

Little Oaks Nursery and Hartpury Out of Hours Club

On behalf of the fundraising committee, myself and staff, we would like to thank you all for the fabulous support we received for our Mad Hatters Easter Trail, held at Hartpury College. We are incredibly thankful that the college agreed to allow us to hold the event on their site and we are very grateful for their ongoing commitment to the local community. We raised a significant amount of money which will make a huge difference to both settings. We are a voluntary run organisation in a rural area and as such rely on fundraising to support our on-going viability. Currently some children are funded under new government legislation for 15 or 30 hours at a rate of £3.90 p/hr. The NDNA (National day-care nurseries association) report that for every funded place providers make a £0.70p loss per hour. We are committed to providing the very best in education and care and have been very proud to have received three consecutive outstanding judgments over the past 12 years and are committed to ensuring we continue to offer an excellent service to our community and represent the needs of parents. Many parents rely on childcare before and after school and we are committed to providing this service. Prior to our setting taking over the ASC it had become financially unviable on occasions historically (and therefore had to change hands/close)

We are therefore indebted to your support to ensure the longevity of both the After School Club and Nursery.
