Thankfulness

Five A Side Football

Congratulations to the KS2 Girls & Boys 'Five a side' football teams who took part in the tournament at Bentham on Thursday 17th January and Monday 21st January. Thanks also to the parents who supported the teams and offered lifts on the day.

Parking

There has been a number of complaints about poor parking in and around the school site and the village hall car park. Could all parents please ensure that they park considerately for the safety of the children.

School Trip Monies

We have been reviewing the way we accept cash/cheque payments into school for audit purposes. From next week all trip payments should be sent into school on a Monday only. A receipt will be issued and placed in an envelope in your child's book bag. If by the end of the week you have not received a receipt please contact the office to ensure that payment has been received. We would prefer it if you could pay by cheque if possible. Going forward, we are presently looking into an 'on line' payment system for school trips.

Class 1

Class 1 have been practicing their 'Ruby Kindness Gem Power' this week. On Thursday the children made some heart shaped cheesy biscuits with Mrs Steele to take home.

Class 2

Class 2 had great fun at 'All Things Wild' in Evesham on Monday exploring all about when dinosaurs existed and getting up close to a Tyrannosaurus Rex, a Stegosaurus and a Triceratops!

Class 3

As part of their topic about Romans, Class 3 visited The Corinium Museum in Cirencester (The second largest city in Roman Britain). The museum contains a vast collection of roman artefacts found in and around the area. The children took part in two workshops, one about daily life in Roman times, looking at games, food clothes and art and another about Roman identity, learning about burial remains, archaeology, isotope analysis, tombs, and how we know about the Roman times.
