## THANKFULNESS

Dear Parents &amp; Carers

### Healthy Snacks at Hartpury

Here at Hartpury C of E Primary School we pride ourselves on being a very healthy school. We continue to hold the 'Healthy Schools' award. With our 'Outdoor Education' curriculum combining with the healthy cooking sessions Mrs Steele runs weekly we take this very seriously and continue to take great pride in it. Part of this on-going drive to remain a healthy school involves children's snacks. As parents, we ask that you support us as much as possible to remain a healthy school by ensuring that you send your children to school with a healthy snack every day. Fruit is always our preferred option here. As always, thank you for your help and understanding here.

### Class 3

Carrying on their learning about life during Roman Times, Class 3 looked at Roman roads as an example of the things they brought to Britain during their occupation. The children were asked to design and make their own recipes representing the different layers of construction. Most of the children chose to make a 'Roman Rocky Road' which they had great fun producing. However, unlike the many examples of Roman Roads that still exist around Britain today, Class 3's Rocky Roman Road only lasted the day. (Although, it was not eaten at break or lunchtime!)

Tickets are still available @ £10 from Hartpury Post Office or on the door, subject to availability.

**Next Wednesday, 13 Feb, from 3.00 – 9.00 pm (latest)** the traditional seasonal ceremony of chair cleaning will take place. If you are able to help at all, even if only briefly, please come along to the hall (preferably with a vacuum cleaner) and join in. As ever, many hands make light work.

The recent jumble sale was really successful. We had almost 200 customers within minutes of opening, and we raised over £950 in total for hall funds. Thanks to all the many volunteers who helped out during the day, and also to all the donors. The next jumble sale at the hall will be in aid of the Friends of Hartpury School, on March 23<sup>rd</sup>.

Meanwhile we are having discussions with the regional Post Office team about the possibility of establishing a twice weekly "pop up" post office at the village hall, potentially on Tuesday and Thursday afternoons. They are very keen to introduce the service but there are a number of details which will need sorting, including some dedicated electrical and telephony arrangements. They advise that the normal lead time is approximately 8 weeks and we will aim to provide regular updates as things develop.
